

## MRS. THOMSON TELLS WOMEN

How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pains were intense in both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound to me and I tried it at once and found much relief. After that I had no pains at all and could do my housework and shopping the same as always. For years I have praised Lydia E. Pinkham's Vegetable Compound for what it has done for me, and shall always recommend it as a woman's friend. You are at liberty to use my letter in any way."—Mrs. Thomson, 649 W. Russell St., Philadelphia, Pa.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

# SOCIETY

### Many Honoluluans to Return.

When the Matsonia arrives in Honolulu next week she will bring home many of the Honolulu society folk who have been visiting on the mainland during the summer. Among those who are booked to make the homeward trip are Mr. and Mrs. H. M. Dowsett. Mrs. Dowsett recently went east with her sister-in-law, Miss Allen Dowsett. Mr. and Mrs. George Sherman, who have been in California and New York for some months, are also expected home Wednesday. Mr. and Mrs. Gerrit Wilder, who have spent a delightful summer touring California, expect to return on the boat as do Mr. and Mrs. James Wilder. Mrs. J. A. Gilman and her daughter, Miss Cordelia Gilman, who have for the past year made Berkeley their home, are planning to return to the islands by the Matsonia. Mr. and Mrs. John Ashley, who took a short trip to the exposition, will return, as will Mr. and Mrs. Robert Hind and their two daughters, the Misses Margaret and Emma. Among the new visitors to the islands who will come in the Matson liner are Mr. and Mrs. Moses G. Spiro, who will spend their honeymoon in the islands. Their wedding will take place a short time before the Matsonia sails. The bride-to-be is the daughter of Governor and Mrs. Alexander of Idaho.

### Miss E. E. Owens Feted.

Miss Emeline Eleanor Owens, the beautiful daughter of Captain and Mrs. Arthur Owens who were formerly stationed in Honolulu, has been one of the most popular of the younger girls at Mare Island during the past year. It was expected that Miss Owens would make her formal debut in society this winter, but word from Washington recently ordered the Owens to New York and so the popular service belle will "come out" in the East.

When she was in Honolulu Miss Owens attended none of the "grown-up" affairs but was one of the most popular members of the academy set and was entertained extensively by her schoolmates. There was much regret expressed when she left the islands and her friends are always glad when mail day brings some word from her.

### Well-known Society Folk.

Society's plans are ever variable. No sooner do I have the Christian de Guzman, Jr., comfortably established in the Lewis P. Hobart home than they take Miss Ysabel Chase and sail away to Honolulu, and now, as I was about to announce, a unique and magnificent entertainment at Uplands within the next fortnight, the Templeton Crockers tell me their plans are of a migratory order and that any day now I may expect to hear that an overland train is bearing them on to New York. The George Popes and the Joseph D. Grants, the Daniel Murphys and the Clement Tobins are all planning East-ern trips. But they will all be here again in January or before, and the social campaign is never in full swing until after the Christmas holidays.—San Francisco Examiner.

### Tea is Postponed.

Mrs. F. C. Lyser and Mrs. G. Fred Bush have postponed the invitations to tea to meet Mrs. Morris Bissel, Mrs. Marston Campbell and Mrs. North from Tuesday, November 9, to Thursday, November 11, on account of the boat being delayed.

Mrs. North and Mrs. Bissel are returning to Honolulu after several years' absence and it is with great anticipation that their old-time friends are looking forward to meeting them again. Mrs. Bissel brings her pretty daughter, Eleanor, who will be a much-feted guest of the younger set. Mrs. Marston Campbell, one of Honolulu's best known society women, is returning after a visit of some weeks at the fair.

### Mr. and Mrs. George C. Beckley Entertained.

Mr. and Mrs. George C. Beckley, who have been visiting in California for some months, were entertained in San Diego recently by the Claus Spreckels. Of the affair the San Francisco Chronicle says:

"The San Diego home of Mr. and Mrs. Claus Spreckels was the scene of a small dinner on the evening of October 18. Mr. and Mrs. George C. Beckley of Honolulu, Mr. and Mrs. Frank Leslie Moon and Lieut. T. H. Hoyt, U. S. M. C., and Mrs. Hoyt shared in its pleasure. The table was adorned with a basket of yellow chrysanthemums, to which were attached toy balloons in red and yellow. Claus Spreckels recently returned to San Diego from the Imperial valley."

To Spend Their Honeymoon in Hawaii Honolulu society folk will be interested in the following clipping from a mainland society column regarding the approaching marriage of Miss Leha Alexander and Mr. M. E. Spiro: "The culmination of another exposition romance will be reached when the wedding of Miss Leha Alexander, daughter of Governor and Mrs. Moses Alexander of Idaho, to Mr. M. E. Spiro of this city will be solemnized at the home of the bride's parents in Boise on October 26. Spiro left for Boise last Thursday.

"Spiro is a prominent young businessman of this city. Following the wedding the couple will depart on a honeymoon of several weeks' duration to the Hawaiian Islands. They will return about December 1 and make their home in this city."

Wedding of Interest on the Mainland. From the East has come the announcement of the marriage of Miss Harriet Buchanan and Lieut. Benjamin

Franklin Tilley, which will be of interest to the local service set.

"The many San Francisco friends of Lieut. Benjamin Franklin Tilley will be interested to know of his marriage, which took place in Richmond, Va., Wednesday. The bride was Miss Harriet Buchanan. Lieut. Benjamin Franklin Tilley, U. S. N., is the son of the late Rear-admiral B. F. Tilley and Mrs. Tilley of Annapolis, who were stationed at Mare Island for a long time after their return from Samoa, where Admiral Tilley was governor. Lieut. Tilley was a favorite in the younger set of San Francisco and at Mare Island. His bride is a belle in Richmond, and is the daughter of Mr. and Mrs. Cyrus Baldwin Buchanan."

### Reception at Kamehameha Honoring Two New Principals.

Complimenting the two new principals of Kamehameha schools, Miss Abbie Newton of the girls' school and Mr. C. R. Bostwick of the boys' school, Mr. and Mrs. Ernest Charles Webster entertained at a reception last night at their home. Yellow and white was the color scheme used in decoration, the effects being carried out with yellow chrysanthemums and white daisies. Green palms and ferns were used throughout the rooms. In the receiving line were the host and hostess and the guests of honor. Despite the disagreeable weather the guests numbered about three hundred and fifty.

### Mr. and Mrs. A. G. Hawes in San Francisco.

Mr. and Mrs. Alexander G. Hawes, formerly of Honolulu, are now in San Francisco where they are enjoying meeting their old friends and "doing the exposition." The Hawes have not been in Honolulu for some time, but it is hoped that they will make the islands a visit before the year is out. During their stay in San Francisco they are being entertained extensively both by their own friends and friends of the late Colonel Alexander G. Hawes, father of Mr. Hawes, who during his lifetime was one of the prominent members of the Bohemian Club.

### Governor Pinkham Entertains for Gen. and Mrs. William Henry Carter.

Governor L. E. Pinkham entertained at an elaborately appointed dinner Monday evening at his home on Luna-illo street in compliment to the departing commander of the Hawaiian department, Major-general Carter and Mrs. Carter. Covers were laid for twenty-six.

### Fourth Wedding Anniversary.

Mr. and Mrs. Ray Baker Rietow celebrated their fourth wedding anniversary with an informal dinner at Heinke's Tavern last evening.

Mr. and Mrs. Claus Spreckels were hosts at a small dinner in their San Diego home Saturday evening, which was enjoyed by Mr. and Mrs. George Beckley of Honolulu, Mr. and Mrs. Frank Leslie Moon and Lieut. T. H. Hoyt, U. S. M. C., and Mrs. Hoyt. The round table was adorned with a basket of yellow chrysanthemums, to which were attached toy balloons in red and yellow.

Mr. Spreckels recently returned from a trip through Imperial Valley.—San Francisco Call.

It is a deep regret to their friends that Major-general and Mrs. William Henry Carter leave Honolulu permanently on Friday. Mrs. Carter has been one of the most gracious hostesses Honolulu has known and has made a host of friends both in the service set and among civilians. Mrs. Carter is being entertained extensively this week. Major-general Carter was a guest of honor at an Ad Club luncheon today.

Mr. and Mrs. Gerrit Wilder have decided to extend their stay here two weeks longer, and will sail Wednesday, November 3, for their home in Honolulu. They will give up their apartments tomorrow and spend the next two weeks at the Palace hotel.—San Francisco Examiner.

Col. and Mrs. B. F. Cheatham have arrived from Honolulu and are delighted to again be in San Francisco. Mrs. Cheatham, who was formerly Miss May Denman, is a sister of Mr. William Denman.—San Francisco Examiner.

Leaving for a visit to the Exposition, Mrs. John Walker and her daughter, Miss Kathleen Walker, were among the departing passengers in the Wilhelmina when she left for San Francisco.

Mr. George Butz, assistant manager of the Pleasanton Hotel, has been called to his home in Portland, Oregon. He will leave in the Sonoma and return to Honolulu about December 1.

Mrs. Frank E. Blake was among the departing passengers in the Wilhelmina this morning, a visitor to the fair. Mrs. Blake will remain in San Francisco about five weeks.

Mr. and Mrs. W. W. Goodale, who have spent some time on the mainland, were among the returning passengers in the Manoa yesterday morning.

Mr. Rex Bacous, associated with E. O. Hall & Son, is leaving Honolulu on Thursday in the Sonoma for a short stay in southern California.

### KAUAI SOCIETY NOTES

From the Garden Island comes the following budget of Kauai social gossip: The On Club's October entertainment took the form of a Halloween party, held at Lihue social hall. An-

nouncement cards had been sent stating that "sheets and pillow cases" were in order. Accordingly all appeared in correct ghost garb, several weird masks being interspersed here and there.

The stage had been very effectively decorated in most approved Halloween style under the direction of Mrs. W. H. Grote and Miss K. Ommanney, while in the dim-lit hall Miss K. Wood presided over the witches' cauldron from which lurid green flames were emitted, well contrasted by the bright red glow apparently burning from the logs beneath.

All gathering around the fire, a number of "ghost stories" were told by various members and guests, after which new members were initiated into the mysteries of Oondom. Various games and tests of skill were also participated in.

A peanut race between the presiding judges of the two local benches caused much mirth and excitement. It is not quite clear, however, to whom the honors went.

Dancing and refreshments rounded off a very enjoyable evening, the novelty and informality of the affair lending greatly to its success.

### Deverill-Lee.

The following cards have been issued:

Mrs. Sarah Benson Deverill requests the honor of your presence at the marriage of Miss Barbara Ella Lee to Mr. Edward Gervas Deverill on Sunday morning, November 14, 1915, at 11:30 o'clock, Hanalei.

### "Spooks" at Makaweli.

Mrs. B. D. Baldwin and Mr. and Mrs. Douglas Baldwin gave a delightfully small Halloween party at their Makaweli home Saturday evening. There were eight (married) couples present, and all enjoyed the occasion immensely.

### Wedding at Makaweli.

The wedding of Wm. Wolf, superintendent of the Lualaba cannery, and Miss Helen Bryant will take place at the residence of the bride's parents, Makaweli, Saturday evening.

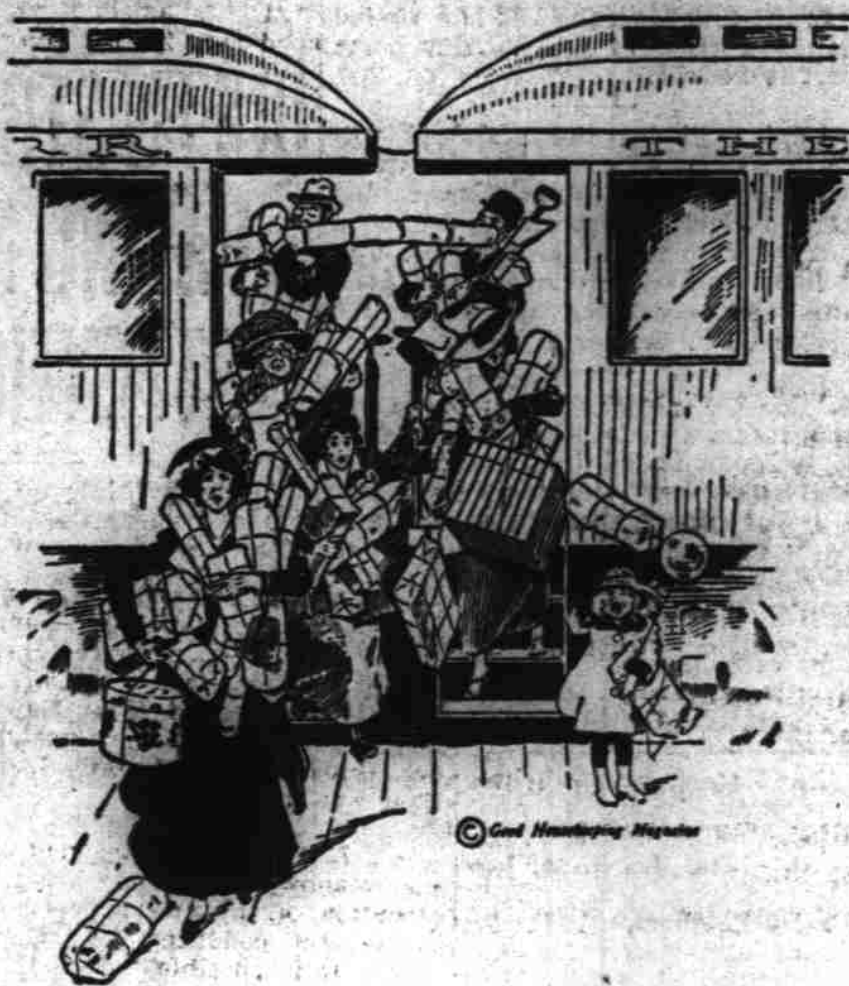

### Afternoon Halloween.

Mrs. N. H. Browne gave a Halloween party at her Makaweli home Saturday afternoon, which was attended and much enjoyed by a number of ladies of the neighborhood.

### An Engagement.

Mr. and Mrs. Wm. Kruse of Kekaha have announced the engagement of their niece, Helen A. Gardner of Kalaheo, to George Wray of Kekaha.

There are 934 women to every 1,000 men in the United States, while in England, Germany and France the women predominate.
